About Me

As a dedicated Professional with one year of experience in Another Domain, I bring a strong Foundation in Problem Solving and Communication. My Passion for Technology and Eagerness to Explore new horizons have led me to pursue a career in networking.

Professional Experience

Organization : HINDUSTAN UNILEVER.
Designation : MARKETING EXECUTIVE
Experience : 2 years (2020-2022)

Key responsibilities:

- Build and maintain strong relationships with retailers, distributors, and other stakeholders in the distribution channel. These relationships can help in securing shelf space, increasing visibility, and improving sales.
- Stay updated on market trends, consumer preferences, and competitor activities. This information helps in devising effective sales strategies and positioning HUL products effectively.
- Set and achieve sales targets assigned by the company. This involves developing sales plans, identifying potential customers, and executing strategies to meet or exceed targets.

Technical Skills

- Understanding CCNA Professional Training from an institute.
- Good knowledge of OSI & TCP/IP model.
- Configuration and troubleshooting on Cisco Catalyst series router and Switches.
- knowledge of IPV4 and IPV6.
- Configuration of Routing Protocols :Static Routing, OSPF, BGP etc.,
- Switching :- VLAN, STP, VTP, DTP and Ether channel.
- Routing :- NAT, PAT, ACL, DNS and DHCP.
- Knowledge on deep dive ping and Traceroute.
- Setup of layer 2 and layer 3 switching.
- knowledge on MPLS, L3VPN, VRF
